Overview

The Satellite C850 is the affordable way to keep your family connected and current.

This 15.6" best value Toshiba laptop is perfect for everyday use and makes an ideal first computer offering the performance and features to handle everyday work, study, entertainment and fun without the stress and worry of breaking the bank

With its stylish, glossy and slim design, this eco-friendly notebook's fast-start capability connects you quicker with your emails, internet, music, photos, social networking and favourite programs.

Boasting a special intuitive touchpad with Gesture Feature, you can swipe, zoom and click whilst you enjoy your favourite websites and DVDs.

What's more, with Toshiba's esteemed Audio Enhancement software, enjoy greater sound quality, whilst listening to your favourite movie or music, or chatting over the internet using the choice of a standard or High Definition web cam.

The C850 truly is an ideal addition to the family home.

Toshiba recommends Windows® 7.
